Customer Reviews

This book is clearly written and gives some wonderful case studies. In addition, it provides a clear explanation of the progression of New York's Domestic Relations Law as it has evolved to reflect changing social norms as well as evolving biological possibilities for becoming parents. A wonderful textbook.

A very easy read, nicely outlined and explained in simple terms for the non-lawyer. It makes my Law & The Family class a breeze to get through.

My mom needed this book for class. It came in time and was in great condition. She still has it so it was a great buy.

Excellent.
