The Complete Guide To Divorce Practice

Synopsis

Whether you're just starting out or want to build up your document library, this proven system is a winning strategy for your family law practice. This complete divorce practice system can easily be customized to fit your jurisdiction and the way you handle cases, providing over 500 documents to efficiently take clients through every step of the divorce practice. This book is so easy to use. It is arranged in the natural order of the divorce experience. Starting with clients, it follows through the interview, proceeds through discovery, negotiations, mediation, trial and ends with prenuptial agreements.
