Customer Reviews

This book gave me the basic knowledge I needed for the divorce process. I still had to do a lot of online research. My ex got a lawyer. I understand that each case is different so NO book can replace a lawyer. There was no mention in this book on how to draft a brief etc. Overall though, gave a lot of info.

Helped me get out of my last marriage (along with my personal expertise), not giving her another dime. (And she didn't deserve any more than she already had taken from me!) Now I am cured forever!!! GLM

Was not as advertised, the specific pages I needed were torn out, the book was not new, returned it for a full refund.
