National Electrical Code 2008 Handbook On CD-ROM (International Electrical Code)

Synopsis

Get the expert support needed to comply efficiently, avoid violations, and keep electrical installations on track with the National Electrical Code in this exclusive NEC 2008 Handbook on CD-ROM from the National Fire Protection Association (NFPA). Only the handbook offers the full NEC 2008 text alongside expert commentary from code specialists, offering insight into code rationale, explanations of new and revised rules, and practical, hands-on advice on how to apply the code. A valuable resource for anyone involved in electrical design, installation, inspection, and safety, this book will give users the knowledge needed to feel confident that their work will be safe, efficient, and code-compliant. Delmar, a part of Cengage Learning is pleased to make this one-of-a-kind reference - containing the most widely accepted and most frequently used criteria for electrical installations in the U.S. - available directly from us for our customers who work in and around the electrical trades. It may be used independently and also makes an excellent companion to books in Delmar's best-selling electrical wiring series.

Product Dimensions: 0.2 x 5 x 5.2 inches

Shipping Weight: 0.8 ounces

Average Customer Review: 3.0 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #443,338 in Books (See Top 100 in Books) #38 inÂ Books > Law > Business > Construction #66 inÂ Books > Engineering & Transportation > Engineering > Reference > Architecture > Codes & Standards #287 inÂ Books > Crafts, Hobbies & Home > Home Improvement & Design > How-to & Home Improvements > Electrical

Customer Reviews

Every electrician should have this on your computer at work and at homequick references easy to find and well explained in every day English, lots of photos ans examples Every technician, service man, wireman, needs to be able to find codes related to your work and this is by far the bestWe have this on our computers at work and now I have my own copy on my computer at home

It's hard to imagine how we did this work for all those years with out this fast, ready reference, code book Thanks Tomrie6

will update after contacting gracious tech support 2nd time. first call I got free download pdf, which is no where near speed of cd.
