Best Sellers Rank: #24,983 in Books (See Top 100 in Books) #30 inÂ Books > Humor & Entertainment > Puzzles & Games > Crosswords

Customer Reviews

I found these a little harder than expected, and I prefer puzzles to tell me if it is more than one word and this one doesn't. It just took some of the enjoyment out of it for me. I probably need to try Monday or Tuesday puzzles instead.

Hard puzzles for those of us in the Wednesday category~ and I needed to literally remove them from the book spine in an attempt to put pen to page. Small book - tightly bound = makes for even more difficulty!Wish they were bigger, spiral bound = would have been worth more the extra cost.

Wednesday NYT crossword puzzles are not too hard and not too easy. "I can always do them." Sometimes can't finish Friday and Saturday and the occasional Thursday stumps me with a word here and there but Wednesday makes me think and give me an ego boost.

Got this book the day after I ordered it with a trial subscription of Prime - amazing! Anyway, the content of the puzzles and their difficulty matched that of the preceding volume which I just finished.

Have done about five of the first puzzles so far -

Teeny type. Wouldn't buy again.

This updated version of the 2003 edition is smaller than it's predecessor which makes it easier to carry around. And they're by Will Shortz so enough said. Will be moving up to Thursday next.

I love NY Times puzzles edited by Will Shortz. But the size is too small. I've bought all the larger size book collections of puzzles. Wish they'd use that size more frequently.

In terms of difficulty, these are definitely Wednesday crosswords, though there are a few unexpectedly hard ones in there. I used this book while standing in long lines at an amusement park. A great way to pass the time, and a great collection of puzzles.
