Average Customer Review: 4.3 out of 5 stars Â Â See all reviews Â (123 customer reviews)

Best Sellers Rank: #23,069 in Books (See Top 100 in Books) #26 in Â Books > Humor & Entertainment > Puzzles & Games > Crosswords

Customer Reviews

I was buying the NY Times everyday just so I could do the puzzle at lunchtime at the office. In the area I lived, it was \$1 a day! Do the math. This collection saved me a bundle. As a habitual crossword puzzler, I switched from habitually buying the paper each morning to habitually zeroxing the next puzzle in this book. I found it much easier to copy the puzzles than to hold this rather bulky tome. And copying allowed me to enlarge them to a full letter size page if I so desired (though it was not necessary -- the puzzles are their normal dimensions and fit two-to-a-page in this collection). Working off a copy also discouraged me from turning the page and starting a different puzzle when I got stuck on the really tough Friday and Saturday puzzles. If you're a habitual puzzler, this book is a god send. Bottom line(s): The price is obviously fantastic. The collection is obviously HUGE! The puzzles are just like the daily paper -- from Monday-easy to Saturday-nearly-impossible.

I never ran into a puzzle I remembered doing in the paper.No cons, but some advice... It's not the kind of book you'll want to carry around since it is, of course, large. And if you're not a habitual puzzler, it might end up on a shelf unused since it is a daunting number of puzzles.Also, in case you're a novice puzzler, the NY Times puzzles can get pretty hard. If you're used to clues like, "Wheel OF Fortune's Sajak" for p-a-t, you're in for a challenge. Instead, you'll be getting "foie gras" for p-a-t-e. (Frequent foreign language clues, people you've never heard of, obscure island names, etc.)The good news is that your vocabulary will expand and you'll learn a lot more than you would from the TV guide puzzle.
