Customer Reviews

My order was filled quickly and efficiently. It was wrapped well and no damage was done in shipping. The online link was easy to use, and the product was well described and informative. I definitely will go to .com in the future for any product I need. Although I don't think the Simon & Schuster Crossword Puzzle Dictionary is the best I've ever had, that is not the fault of .

This book is lacking the usual foreign language cross-references and some other features of a similar paperback I have used for years.

Excellent reference book, just great

Great job got it right away
