Actually, I would not even give it one star. I wanted to use some of these jokes in a church newsletter, and this is the most sacrilegious, degrading "Christian" joke book I have come across. I don't just give it a thumbs down, all 10 fingers are down. A Christian would not find these funny. I wasted my money, and I am not satisfied at all!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I plan to put it in the garbage with the rest of the trash!

Not disrespectful, good jokes, clean humor that I read skimming the book. Purchased it to send to a sick friend that needed a cheering up with humor that would not too awfully shocking, as many can be. Very, very funny stuff. Often just the wrong word used in the context of a church bulletin can become funny, but when used in any other print it is mundane. This is just an example of the content.

Labeling this as Christian jokes is a joke. There were at least a dozen jokes that I found highly objectionable and sexually explicit. Not what I would expect from something labeled as Christian. I

am highly disappointed in this, even though the clean jokes were funny, the disgusting ones detracted from my overall satisfaction with the product.

I am a church secretary and I like to put a little humor in my bulletins. So, I ordered this thinking it was a perfect fit. However, some of the jokes would be totally inappropriate because of their suggestiveness.

Terrible! Many of the jokes are either vulgar, obscene or irreverent. It can hardly be called a "Christian" Joke book. I threw it in the trash, it was so perverted I didn't want anyone to have to read such nasty filth. I would not recommend this book for any Christians who value purity, treating the Lord's name with reverence and cleanliness of speech.

I wanted a book of clean jokes to use to open meetings with of a Christian-based organization. Most of these jokes would not be appropriate for my organization or for most Christian-based organizations. I can use some of the jokes, approximately 10-15% perhaps.

I was extremely disappointed in this book. Not only is it not published well (there are errors in the fonts, spacing, etc.) but quite a few of the jokes are inappropriate for a "Christian joke" book. I bought it for my dad and am too embarrassed to give it to him because of the content. Not pleased at all...

You don't have to be religious to enjoy this joke book, but it helps if you are. I got it for my Kindle because I give talks to community groups and needed some jokes to break the ice. Some of the jokes are as old as the bible itself, but that doesn't matter it's guaranteed to raise a laugh from both young and old.
