The Government Contracts Reference Book, 4th Edition (Softbound)

Synopsis

The Federal Acquisition Regulation (FAR) contains the uniform policies and procedures for acquisitions by executive agencies of the federal government. The FAR is issued and maintained by the Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration. This CCH volume reproduces the FAR and all amendments to the regulations issued through July 1, 2012, along with an easy-to-use topical index. Sources of the amended text are listed in brackets along with the date of issuance and the effective date for all sections changed since the initial text of FAR appeared in the Federal Register of September 19, 1983. Changes in this edition include: 5 - Federal Acquisition Circulars 3 - Interim Rule 20 - Final Rules 6 - Corrections Topics: Preventing Abuse of Interagency Contracts Transition to System for Award Management Cost Accounting Standards Threshold Prohibition on Contracting With Inverted Domestic Corporations Brand-Name Specifications Time-and-Materials and Labor-Hours Contracts for Commercial Items Public Access to Federal Awardee Performance and Integrity Information System Financial Accounting Standards Board Accounting References Women-Owned Small Business Program Proper Use of Cost-Reimbursement Contracts Acquisitions Pursuant to Multiple-Award Contracts Socioeconomic Program Parity Government Property Biobased Procurements Exports of Sensitive Technology to Iran Justification and Approval of Sole-Source 8(a) Contracts Free Trade Agreements

Customer Reviews

This was recommended to me by my supervisor, and I put off buying it for about 6 months. I've been in contracting for the Federal Government for about a year now, and I wish I would have bought it

sooner. I use it on a daily basis. It's an outstanding reference tool. Gives quick definitions for contracting terms as well as location in the FAR or other sources where you can find them.

Great reference in a dictionary format. This enables you to quickly find relevant contract terminology, provides additional research sources, and combines well with the Formation of Government Contracts and Administration of Government Contracts.

Excellent reference book for federal government contractors

Great resource if you work with acquisitions and the FAR.

Excellent reference guide!
