Customer Reviews

While this book is beautiful and informative, one should not expect a current cruising guide to these islands. The photography is excellent and the accompanying text provides valuable, if slightly dated, insights to the island culture.

Lovely book! I was given a copy of this book by Tom & Gladdie Johnston of Moonhole on Bequia, as soon as it was published in 1985; and still enjoy it today. Colorful, upbeat and sweet; just like the people of the beautiful Grenadine islands!

very sweet book

Ok, nothing special
