Mavis Campbell is clearly the leading historian on the Maroons of Jamaica. Her study gave me a thorough background and understanding of the Maroons during the period of study, when they were in their heyday. Anyone who wants to understand the Maroons has to read this book.

This book quotes the history of the Windward and the Leeward Maroons to the best of it's ability. The information on the five warrior brothers in charge at that time was a very interesting read.

Immaculately researched and superbly written A must for any Black history buff and should be required reading for every Jamaican.

Loved this book it's my history. True history
