One of the best books I've ever read in my life. John Henrik Clarke, is The Master! The world need urgently men like Professor John H Clarke!Joao Matos

we should've appreciate him while he was here. He was raised where i'm from and that's Columbus GA too bad i never knew him before he passed.I learned so much from his lectures tho it set a renaissance within me to carry the torch and revivie that Afrikan Spirit from what all he taught me. THANK YOU for helpin' to Re-Afrikanize my mind and set me on the course for what is to be my lifes work.One Love Ancestor Elder John Henrik Clarke

A short but very instructive book about african history from early civilisation to slavery and after. I guess i can say that it is a summary of african history. I highly recommend it for anyone that want to get some knowledge about africa but does not want to read 50 books.

This book is an excellent documentation of facts that Dr. Henrik shared from a speech he gave. I was spellbound by the detailed facts from this and many of his other books that I own.

Very good read!!! Short book so you can finish it rather quickly... Dr. Clarke for all those that don't really know his writing style or lecturing style, he is a master teacher and devoted scholar. This short book is well written and will definitely enlighten you as to the great people of color in African history.

Dr. Clarke is one of the best historians ever. He is very easy to understand, his point and documentation comes across very easily.

It feels good knowing that I am descended from a people with such a rich history. Will look for more John H. Clarke books.

This is a good starting point for those who's history has been shattered by lies
