Bankruptcy:: Dealing With Financial Failure For Individuals And Businesses (American Casebook Series)

Synopsis

Together, the four co-authors have taught bankruptcy courses at more than 20 very different law schools; one of them sat as a bankruptcy judge for nine years; and all four have substantial practice experience. Drawing on their diverse experience, they have prepared original text, problems, and edited cases with three goals in mind: (1) introduce students to one new bankruptcy concept at a time, (2) show students the connection among the various concepts and (3) give the students a sense of how these bankruptcy concepts are utilized in both the smallest personal and largest business bankruptcy cases.
