## **Customer Reviews**

Great crossword puzzle book. Not too hard, not too easy. Bought it for my parents and they loved it. They recommend it for anyone who likes to do crossword without having to work extremely hard. Great for the elderly who don't feel up to date with current names and events.

The crosswords are really fun! The book is lightweight and easy to lay in your lap and fill in the puzzles. The puzzles are quite large so there's enough room to fill in the letters just fine. Great layout!

I bought NYT Easy crossword puzzles 2 & 3 after I completed the "NYT Easy Crossword puzzles" book, assuming these would be next in the series. Unfortunately the crosswords in the first book are repeated in books 2 & 3. Don't get these if you've already completed the first book in the series.

Excellent puzzles. Tough enough to challenge without incredible frustration. Great for stress reduction and keeping your mind active. Format is easy to read and the book itself is easy to use. It stays open or can be folded in half.

My husband just started doing crosswords since he retired. This is a good set of puzzles for him: challenging, but not too difficult. A former financial type, he's still getting used to the nuances of some of the clues. Also likes the spiral bound format and larger, lap-worthy size.

I do crosswords only occasionally and don't get competent enough to tackle the tough ones. I have tried other "easy" or "Monday" crossword books and find the puzzles too hard. The Will Shortz books describe the difficulty accurately. They are easy but enough of a challenge to make them interesting.

Nice, easy puzzles that my wife and I do together as a joint activity instead of watching TV. Not too difficult, so you keep motivated whilst doing them - but not so hard that they will give you a tough mental workout (if that is what you're looking for). Still, not so simple that you just breeze through either. Just the right level of difficulty for a weekend pastime to do together!

i wish there were a hundred volumes-perfect in every way. great puzzles, easy to carry, easy to use on the train, at a cafe while waiting for a friend...
