Cases And Materials On California Community Property (American Casebook Series)

Synopsis

This classic casebook on the California community property system contains carefully updated coverage of premarital agreements, transmutations, same-sex marriage, equal management and control, interspousal rights and remedies, and creditors' rights. Core chapters discuss the complexity that flows from classifying property as community or separate. Statutory provisions have been updated in the text and in the appendix. The teacher's manual has been completely revised.

Customer Reviews

I haven't done anything with the book yet and plan to read it soon. The book is in a good condition especially for a used book.

It's a textbook. The notes are helpful. You probably won't need an E & E with this particular textbook.

Just what was stated was what I received - thanks for being an accurate seller.

The cases are fascinating and the explanations are adequate. Sometimes the explanations are hidden in the notes. Not good for quick spotting.
