Questions & Answers: Property

Synopsis

Understand better what you're learning in Property class and prepare effectively for exams by applying concepts as you learn them. This study guide includes 170 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 50 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Nagle provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less, and each question has a thoughtful, comprehensive, yet brief model answer.

Customer Reviews

Absolutely hate this book. Questions that are suppose to be restricted to a particular topic suddenly has topics outside of it interjected into the questions and answers Yes, some of the right answers are those outside the topics you are specifically studying.

Great Seller/Great Product!
