Customer Reviews

These Mad Libs are a hoot. The outcome can be tame or suggestive, depending on the kinds of words the shower guests choose to fill-in-the-blanks. Some of the outcomes are just a scream. If you are worried that the final product may be a bit too racy, you can always ask your guests to "keep it clean".

I didn't expect them to be kind of raunchy. But if that's what you're looking for (I personally don't appreciate that kind of humor), you will like this. I wanted to use some of them for a work baby shower game and I think only 1 or 2 were useable in that setting.

On the positive side, this book is easy to use and the mad limbs are well presented. On the negative side, I was less than impressed with the creativity and originality. I ordered this book thinking that I would find something unique and fun to use at a baby shower I was giving. In the end, though, I found a mad lib on the Internet that was cuter and, best of all, FREE.

If you love Mad Libs and have a little bit of a sense of humor... this is a great idea for a baby shower

game! Or just sitting around.

Fun, cute, and full of laughs... A baby shower game that was actually enjoyed! Plus the mom to be saved the mad libs to pass the time when she is in labor
