Finding this book saved my butt!! I will be buying this supplement series for every class in law school forward (I've already got both for my current classes). Quick 1 page briefs of every case in the Case Book. Sometimes the main points/rules don't always match up to what the teacher thinks is important, but every teacher is different. Cases and Materials on Contracts, 8th (University Casebook Series)

Not very helpful because the briefs are oversimplified, and and not what my professors are looking for.

Very helpful to anyone who is studying Contracts in their first year. Highly recommend!
