Troubling Freedom: Antigua And The Aftermath Of British Emancipation

Synopsis

In 1834 Antigua became the only British colony in the Caribbean to move directly from slavery to full emancipation. Immediate freedom, however, did not live up to its promise, as it did not guarantee any level of stability or autonomy, and the implementation of new forms of coercion and control made it, in many ways, indistinguishable from slavery. In *Troubling Freedom* Natasha Lightfoot tells the story of how Antigua's newly freed black working people struggled to realize freedom in their everyday lives, prior to and in the decades following emancipation. She presents freedpeople's efforts to form an efficient workforce, acquire property, secure housing, worship, and build independent communities in response to elite prescriptions for acceptable behavior and oppression. Despite its continued efforts, Antigua's black population failed to convince whites that its members were worthy of full economic and political inclusion. By highlighting the diverse ways freedpeople defined and created freedom through quotidian acts of survival and occasional uprisings, Lightfoot complicates conceptions of freedom and the general narrative that landlessness was the primary constraint for newly emancipated slaves in the Caribbean.

Book Information

Paperback: 336 pages

Publisher: Duke University Press Books (December 4, 2015)

Language: English

ISBN-10: 0822360071

ISBN-13: 978-0822360070

Product Dimensions: 6 x 0.8 x 9 inches

Customer Reviews

Lightfoot's analysis of Antigua's history of slave emancipation joins a wide body of work examining African-descended people's efforts to make their visions of freedom real. Across the Americas, these freedom struggles were met by systematic efforts to deny freedpeople opportunities to control their own destinies and partake in the varied joys of free life. Antigua's black working men and women continued to fight for the right to property, housing, and to live as they saw fit, even resorting

to strikes and uprisings to achieve those results. Troubling Freedom is an important contribution to our understandings of what freedom meant to ex-slaves throughout the Americas.
