I have my 2nd degree in Reiki and I wanted something to help me with my meditation.... I also wanted something I could carry around in my purse.. These cards are perfect..The Box is so beautiful.. you lift the lid and inside there's 55 of the most inspirational cards...I had been feeling Anxiety throughout my whole day...The first card I picked was.....Anxiety - (We surround you with the healing light of Amethyst. Take a deep breath and breathe in this beautiful violet light. Feel your anxiety melting away. There is nothing to fear. There is only love.I love them...

These are the most beautiful angel cards I have come across. The case they come in is sturdy and the cards themselves well made. I really like that they are bigger than the standard small cards you typically find. I have bought a couple as gifts too!

This deck is good for a daily card. Follow the instructions in the box: place your left hand over the cards, think of the question/situation, then pull a card. The cards are not full sized at all, they are half a card with one phrase and one sentence. Simple and perfect.
