# Playing Solitaire: 25 Versions Of One Of The Greatest Games

## Synopsis

I learned to play solitaire from my brother when I was a boy. Our father took us to Orchard Beach in The Bronx on the bus and we would sit on the grass playing catch or playing solitaire or gin rummy. Now, as an adult, my son is starting to learn the game and likes it, too. "Playing Solitaire: 25 Versions of One of The Greatest Games" will teach you how to play 25 different versions of the game and allow you to have hours of enjoyment with only a deck (or two) of cards.

## Customer Reviews

I purchased this product thinking it was the games rather than a book on how to play the games. I was mistaken about what the description said "...will teach you how to play 25 different versions of the game and allow you to have hours of enjoyment...". No... definitely not hours of enjoyment. It may be a good instruction book. But if you want the games this product is not what you want.
