Customer Reviews

What's not to like about Mad Libs? They're fun and hilarious. With such naughty and adult ones it gives us more liberty to use inappropriate words. Then, of course, that makes it even funnier. My husband and I recently played this on our last plane trip and I'm sure we annoyed other travelers with our laughing! Make sure whoever you play with is familiar with verbs, nouns and adverbs. It gives a chart to help people know what exactly they are if you need it. I will be ordering again when we run out!

Got this for secret Santa at work... My coworkers love it! It's a perfect gift that keeps giving. We probably spend an obnoxious amount of time talking about these than we should!

Hilarious and perfect for a girls weekend seay

Very funny and hysterical. It's a great book to take it when you're having a couple of drinks with friends. It makes for great laughs.

Fun game to play with our "old gang" on trips and get togethers.

So funny love it!

Way too much fun!
