Customer Reviews

The word building book has finally been updated after 16 years. Meanwhile the official Scrabble dictionary has been updated twice. The new edition is worthwhile, especially with the 2 and 3 letter lists which are essential for playing Scrabble well. Meanwhile, SCRABBLE Wordbook and Bob's Bible: Words, Anagrams and Hooks offer a lot more to the beginning, serious and expert players. The Wordbook has been a staple of Scrabble tournament players since the late 1980s. It's chockful of lists and ideas for studying. It's only two drawbacks are the tiny print (for some) and the removal of words like FATSO that are legal in tournaments (it's the school edition). The author does offer free bookmarks with the missing words. Bob's Bible is my favorite tournament study book. The latest

edition includes lists of the 2s, 3s, 4s and even 5s. The main section is a full (official) list of 2-8 letter words. Next to each word are the front hooks and the back hooks to make words one letter longer... like STAMPED e (makes stamped!) Below each word are all the anagrams. So underneath SENATOR it lists atoners, santero and treason. There are even Jumble quizzes for thousands of words you need to know. The special Q-word section has words like QI QAT QANAT QABALAH TRANQ etc and also BUQSHA, OBLOQUY, EXEQUY and COLLOQUY (not to mention MBAQANGA).
