Critical Race Theory: The Cutting Edge

Synopsis

Critical race theory has become a dynamic, eclectic, and growing movement in the study of law.

Here, editors Richard Delgado and Jean Stefancic have created a reader for the 21st century - one that shakes up the legal academy, questions comfortable liberal premises, and leads the search for new ways of thinking about our nation's most intractable, and insoluble, problem - race.

Customer Reviews

Excellent work to provide you with both a broad overview of CRT in addition to giving you a more detailed understanding of all of the nuances of the theory. Very thorough and comprehensive. A must work for anyone wishing to fully understand and grasp CRT.

Book contains many insightful articles on a variety of Critical Race Theory topics. Great book for an introduction to the area of study.

A wonderful, modern examination of critical race theory.

Eye-opening book.
