# Historical Dictionary Of Honduras

## Synopsis

Honduras, one of five original Central American states, became a separate republic in 1839 following independence in 1821. It is perhaps least-known of the five. Located centrally in the isthmian area, pre-historic Honduras was the site of a swirling encounter of major cultures-Nahua, Maya, Chibcha. A similar maelstrom has been the bloody internecine warfare of the past century and a half. Mountainous, long inaccessible, exploited rather than developed, Honduras nevertheless possesses a remarkable cultural history, and its share of distinguished leaders such as Francisco Morazan, often compared to George Washington and Simon Bolivar. Honduras has a wealth of natural resources, from minerals and timber to agriculture and fisheries. Literally devoted to banana culture, its political and military patterns have earned the term "banana republic"; its poverty is second only to that of Haiti in the Western hemisphere. Events of the 1980's decade brought Honduras to the fore-front of world attention because of the Contra-Sandinista border encounters and the extensive United States military build up, economic power, and political influence.

## Book Information

Series: Historical Dictionaries of the Americas (Book 25)

Hardcover: 736 pages

Publisher: Scarecrow Press; 2 edition (June 1994)

Language: English

ISBN-10: 0810828456

ISBN-13: 978-0810828452

Product Dimensions: 5.8 x 1.8 x 8.7 inches

Shipping Weight: 2.2 pounds (View shipping rates and policies)
