Customer Reviews

This book took my retired father in law quite some time to finish. He loved this book. It was compact and filled with tons of puzzles. Very glad we got this for him. He seems to blow through the cheap word searches very quickly. This actually took some time!

Smaller book than I expected- size of a regular paperback. Good puzzles to keep you entertained.

Did not like these, they were too small and too thick which made them hard to open and work
