Gilbert Law Summaries On Conflict Of Laws

Synopsis

The topics covered in this Conflict of Laws outline include domicile, jurisdiction (including notice and opportunity to be heard, minimum contacts, and types of jurisdiction), choice of law (including vested rights approach, most significant relationship approach, and governmental interest analysis), and choice of law in specific substantive areas. Also included are traditional defenses against application of foreign law, constitutional limitations and overriding federal law (including Due Process Clause, Full Faith and Credit Clause, and conflict between state and federal law), and recognition and enforcement of foreign judgments.

Customer Reviews

When studying for Conflicts--one of the hardest exams in my law school--I used this book. It was great! It had everything I needed to know...and more. It was also easily organized and easy to follow. It really laid everything out and had some great easy to memorize checklists.

Very Informative and too the point. Use by most to study for state bar exams.

Thanks to this book, I got an A. Nuff said.
