# Solutions To Women's Hair Thinning And Loss: Restoring Beautiful Hair

## Synopsis

Jeffrey Paul shares with his fellow professionals the fruits of his years of specialization and experience. He begins with a definition of the qualities of healthy natural hair, proceeds to examine the reasons for women's hair thinning and loss, and takes the reader through several replacement options, from the initial assessment consultation through the design process to the initial delivery of the final product. He details the elements necessary to the establishment and operation of a successful hair restoration business. This resource explains every step of the hair restoration process.

## Customer Reviews

This is one of the most informative books I've ever seen on the subject. They really leave no stone unturned. Great buy. I regret I spent so much money on classes. I've learned more from this book than those 2.000.00 classes and workshops.
