A Dose Of Rock 'n' Roll

Synopsis

It has been said that rock à ^nâ ™ roll was a boys-only club in the 1960s and 1970s. Among the few women who gained entry was a high-spirited, half-Sicilian and half-Cherokee beauty named Nancy Lee Andrews. As a top Ford model, Andrews was the perfect complement to one of the worldâ ™s biggest rock stars, former Beatle Ringo Starr. Her romantic relationship with the famous drummer granted her an All Access Pass to a world beyond the velvet rope. These photographs, taken over a decade starting in 1970, are a personal journey through Andrewsâ ™ life at the peak of pop culture history. Itâ ™s also an intimate view of the stars with whom she shared those amazing years. Seen through the lens of Nancy Lee Andrews, this fascinating visual portrayal captures some of the greatest rock and other icons of our lifetime. This is a casebound signed edition.

Customer Reviews

I'm stunned by the presentation of this gorgeous book - it comes with a slipcover and signed and numbered by Nancy Lee Andrews. But the pictures are worth its weight in gold - rock icons of the 1970s in their prime include Ringo Starr, George Harrison, Eric Clapton, Keith Moon, Harry Nilsson, Bob Dylan, the Band, Donovan. This is one of the coolest books in my collection.

A fun look back into the private life encounters with Rock stars in the 1970's and 1980's on a personal level by Nancy Lee Andrews, who was Ringo Starr's fiance for a brief period. The photographs tell the story. Ringo, George Harrison, Eric Clapton, Keith Moon, and many more.

Nancy is no amateur photographer. Her professional work in photography has included major labels, with her work appearing in and on the covers of McCall's, USA Today, JAZZIZ, Penthouse, Black Enterprise, Music Row, People, and several other music publications. She also shoots for many advertising agencies. Highly recommended.

A Dose of Rock 'n' RollI just received my copy of this book and could not put it down. The author's photos give the reader a gentle and intimate look into the lives of some of rock's well-known (and not-so-well-known) musical movers and shakers of the wonderful 70's, but maybe even more revealing is the commentary accompanying the great photos . . . soulful and gentle. A beautifully done book and a wonderful gift for anyone who lived and loved the music of those times.
