Fur Trade Wars

Synopsis

At its height, the Hudson Bay Company's holdings covered almost a tenth of the world's land surface, stretching from the Arctic Ocean across the Prairies and the Rocky Mountains to British Columbia and Oregon. When the upstart North West Company of Montreal challenged the HBC supremacy, however, an ongoing battle erupted and changed the course of Canadian history. *Fur Trade Wars* is a colourful, in-depth account of this titanic struggle.

Book Information
