Garfield Bigger Than Life: His 3rd Book (Garfield Series)

Synopsis

Garfield, bon vivant of cats, lazy, sassy, grouchy, and downright delightful, is back with an all-star cast: JON his owner, LIZ the veterinarian, IRMA the waitress, LYMAN, Jon's friend; ODIE just a dog, NERMAL, a cute kitten, and POOKY, Garfield's very own teddy bear. Together again, they're in Garfield's world now, and what he says goes -- for everyone.

Customer Reviews

Fantastic book if you like Garfield as much as I do and what's not to love about a lazy fat cat. If you read his books from the first you can see how the strip evolved and how Garfield became the loveable cat that he is today.

This third installment of "Garfield" features the introduction of Nermal, the introduction of Jon's family ("Eat! Eat! Eat!"), Garfield's National Fat Week, and the more "truthful" side of Irma. Lyman also appears, but he becomes less prevalent as the days go by. A certain must-read for all Garfield fans.

Is Jim Davis trying to pull a George Lucas on us? All of these re-released full-color books are missing the final page of the original release books. This re-release Third Book (Bigger Than Life) is missing the "Garfield Up Close And Personal" special page that was the final page of the original release. It would be a shame to have the special comic lost to time. Luckily I have all the originals. Normally I should give a 1-Star rating to show my displeasure with the missing content of this release. However, I simply can't bring myself to give a poor rating to a Garfield book.

As a young garfield fan, i had never seen Jon in his first appearances or even Lyman, so it's really great to read this and get to know Garfield (as a comic strip) a little better.

i loved the comic better than the show it's more funnier and fun i hope theres another comic ;) garfield is lazy most of the times

I am a HUGE Garfield fan! This book made me laugh so much! I am 9 years old and I think other kids would like this too!

i just love these books, if you like Garfield as a kid, you should purchase! great way to connect with your kids.

This is a delightful book of Garfield comics. You will laugh, and know the cat is naughty and rude. Humorous.
