After working all day, and sometimes all night, at the university, I like to read humorous works to help me put it all in perspective. Whether it be academia, science, business, law, etc., Harris find the humor in these professions. I figure if I can still laugh at the end of the day, I am doing well. Harris helps me laugh.

This has some of Sidney Harris's best cartoons. I would recommend this to any fan. My favorite is still "and then a miracle occurs" as shown on the cover of this book.
