Construction Supervisor Cal/OSHA Compliance Guide

Synopsis

The Guide summarizes selected construction safety standards from the California Code of Regulations. Included are over fifty major topics, hundreds of sub topics -- every page contains "need-to-know" information, presented in an easy to use format. Mike Leuck built the "Cal/OSHA Compliance Guide" from his years of walking the job with Construction Supervisors and reviewing hundreds of Agency publications. Bonus material includes guided access to www.oshatools.com safety publication toolbox. This Compliance Guide is intended to be a field reference for Supervisors and anyone else with safety responsibilities at a construction job site. The guide provides highlights of selected safety standards in each major subject heading within its scope and may also include best practices in safety and health.
