Have A Little Pun: An Illustrated Play On Words On Words

Synopsis

Artist Frida Clements playfully combines colorfully detailed flora and fauna drawings with funny hand-lettered wordplay in this collection of beautifully illustrated puns. Honey, bee yourself! Gopher it. Don't be koi. Like puns? That's coo, says the pigeon. Hate puns? Birch, please. Bringing a giggle (and sometimes a groan) with each inspired page, this clever volume makes a lovely and lighthearted gift for fans of witty humor and illustration. Having a bad hare day? Feeling a little antsy? What the hail, just dill with it, and for fox sake, have a little pun.

Beautifully illustrated. The hard cover even has a texture to it. I imagine it would make a great gift, but I can't part with mine. It's puntastic.

This is a beautifully illustrated, clever book that is the perfect gift for illustration/joke/animal lovers everywhere. Everyone I have shared the book with has gone out to buy a copy for themselves and a friend. Also, do yourself a favor and buy the hard cover version, it is a beautiful object no kindle version can replace!

Frida is a talented graphic artist and her playful side comes out in this book. A joy to flip through and come back to again. I think this will be a big hit with kids!

Really love this book. The illustrations are on point.

Lovely book. Such cute animals and creative puns, and a lot of them. Everyone from my baby to my grandma like it. Would be a good gift.

I have been a fan of her work for a while, and am happy to have all these puns collected in one book and in color!

Wonderful illustrations, and some very cute & clever puns.

We bought this for our daughter and she loves it!
