Global Critical Race Feminism: An International Reader (Critical America)

Global Critical Race Feminism is the first anthology to focus explicitly on the legal rights of women of color around the world. Broadly representative, the reader addresses the role and status-legal and otherwise-of women in such countries as Cuba, New Zealand, France, Serbia, Nicaragua, Colombia, South Africa, Japan, China, Australia, Ghana, and many others. Customer Reviews

Although Global Critical Race Feminism is a rich reference work useful in the creation of scholarship, it is also a must for anyone interested in social justice. Taken together, the thoughtful and reader-friendly essays are context-specific and avoid generalizations, but at the same time show that ethnic and sexual oppression are not merely isolated aberrations but worldwide structural problems that deserve serious attention.

This is a comprehensive, compelling collection sure to become a classic in sociology, anthropology, education political science, psychology and law. As diverse and intricate as the lives of women of color are, so are the essays included in this reader. It is truly powerful!

this book was a bunch of left wing liberal GARBAGE! Liberalism IS a mental disorder!
