Customer Reviews

I never was a fan of crosswords but this book has changed my mind. I bought it to help keep my mind sharp since I am getting older. The puzzles are fairly easy but fun to do and you can do one quickly. Yes, I do cheat from time to time and look at the correct answer but not enough to feel guilty. When I finish this book, I might try harder ones. Most of the words are short and basic vocab with some references to people, places, phrases etc. Also the big print and large puzzle format is a plus. I finished several while waiting for my van to get inspected, oil changed, and tire rotation today.

This was just the size and type of crossword puzzle book I was looking for, but couldn't find in any stores. The only thing that would make it better is a spiral binding so that the book lays flat when being used. I recommend shopping at .com for puzzle books.

I ordered this puzzle book for my mother. The large print is very easy for her to see and she loves the puzzles, very enjoyable, not frustrating! I highly recommend for anyone who loves to do puzzles.

And delivered very quickly with free shipping.

Very disappointed in the deceptive manner the book was presented, the print on the cover was very big, the print in the book, the puzzles themselves was not much bigger than the usual size. I kept it, not wanting to spend any more on sending it back to . I can buy bigger print puzzle books for my Dad in the dollar store, I feel ripped off.\$13.00 for a useless book for a sight impaired person.I have no other issues with any of my other purchases.Your process to review other products I have purchased is way too lengthy/redundant/confusing and I rather not have to complete. If I am not pleased with all the purchases, I would not be a customer anymore.Pat Piazza

This book has overall very easy crossword puzzles which I find relaxing to do when I don't want to be too challenged. No eye strain here!

Not too hard but it does make one think. It's not so easy that you just breeze through it. Lots of fun. Keeps your mind sharp.

The large print made it possible for me to enjoy crosswords again without straining my eyes. I do appreciate the large size!
