Milady Salonovations' Cosmetology Dictionary

Synopsis

Perfect for students and professionals, this newly revised A-Z reference defines many terms and phrases used in cosmetology, dermatology, esthetics, hair structure and chemistry, nail technology, nutrition, color, massage therapy, and professional skills. The "sounds like" format of the pronunciation keys makes it easy to say even the most difficult words.

Customer Reviews

Purchased this cosmetology dictionary for my granddaughter. She had signed up for beauty college and needed to learn all the terms for her course. She is doing great and will graduate in a few more months. This dictionary has helped her get to her goal of graduation.
