Customer Reviews

I got this for a gift for my sister on Christmas for her office. Our family enjoys some rather cheesy jokes so this was right up my sisters ally! I thought that this would make a good gift to her for stressful days at the office, or as a convo starter for when she is interviewing people. Lastly, this page a day calendar if office friendly :)

I was excited to put this calendar on my desk and start my days off with a nice laugh from a bad joke. I was very disappointed when I got it because these are not bad jokesâ they are the worst jokes you will ever hear in your life. They donâ™t even make any sense! Even the jokes on laffy taffy wrappers are funnier and those are submitted by children! The puns are especially bad. I wish I could return it and get another page a day calendar that will stimulate my mind a bit more.

Bought this calendar as a companion to my girlfriend's Jeopardy calendar. Every night, she would ask me a question and I would tell her a joke. Unfortunately, the jokes in this collection are incredibly

lazy. I can only imagine that they will get worse each year, and I've now realized that I'm writing a review for a 2015 calendar that nobody will ever buy again.

I'm very disappointed in this calendar. I'm an avid devotee of bad jokes and puns, even ones painfully so, and the bigger the groan the more I like it. But most of the jokes in this anthology are not even funny. Occasionally I'll run across one that tickles my funny bone, or that I haven't heard before, but those are around 40% at most, which is why I'm giving it two stars. It was not a total waste of money, and I'll keep it for the year, but I don't plan on buying another one from this publishing house next year.

I bought one of these last year and enjoyed it. Some jokes and puns are corny, but there are also some really good jokes in here that will put a smile on your face. The price was right too.

We have had this product for several calendar years. It lives in our bathroom and my wife and I look forward to a new stupid joke every day.

This was a gift and he is really enjoying the silliness of it
