Customer Reviews

I thoroughly enjoyed the book. I could not stop laughing (loud) while reading this book. The best part is, most of the one liners are so true and written in the most dirty way possible. Sure I would not say them loud. The author did a great job. Really amazing collection!

"The only free sex is masturbation." I was just having a debate about this and bang! Here it is. If it's in a book then it must be true right? I won that debate hands down. We all know laughter is good for the soul but this book has some hidden health benefits too. I literally laughed my butt off for about 15 minutes. That's how long it took me to absorb this. The body burns 10 -40 calories per minute. It can't get any better than this. This is a great book.

I can't imagine the kind of person who might use these one-liners... Listening to the audio sample alone was painful.

Excellent to understand the life of Napoleon and his influence and importance in world history.
