Customer Reviews

Iâ™m a fan of the Pokemon tv series as well as its games ever since I was little. So I am glad to have found this collection of memes. I actually enjoyed it and had some good laugh. This is an effective stress reliever since it also includes some comic strips. Well, all I can say is that, I was thoroughly entertained by this book and would love to keep this in my kindle library.

As a huge fan of Pokemon, I am so grateful to have this kind of book because it greatly brings back the time when the anime was on its peak. This book brings back the memories, funny and interesting ones which I have missed in my memory because of the time easily passed by. This book is the symbol of my trophy of how am I addicted to this a long time ago.

The character and the memes used in this book is unique and each illustration is different. The author add many funny memes through the favorite character Pokemon.
