This Book Sucks: A Shitty Book With Shitty Words For Adults To Color

Synopsis

THIS BOOK SUCKS: A Sh*tty Book Filled with Sh*tty Words for Adults to Color! Really, this book is great, but it is filled with terrible, awful, and hilarious swear words. Even if youâ™ve never colored before, fuck it! This book is a great place to try it out. Probably best if you have a drink or 5 before starting, but steal your kids half eaten crayons and get going. Seriously though, this adult coloring book is filled with some hilarious swear words but also beautiful images perfect for coloring and unwinding. We all feel stress and frustration, this book helps you get in touch with your creative side while also blowing off a little steam. Youâ™ll want to share with your friends, or it makes a great gift so buy one for a friend or loved one too. While the swear words are sh*tty, the book is not.Â Every image is single sided and printed on high quality paper. Easy to tear or cut out (note: not perforated though). 8.5"x8.5â• print size creates symmetrical patterns, maximizing the beauty of the designs. High quality opaque paper reduces bleed through. Bright white paper for clear, sharp, and true colors. Relax, unwind, and most of all, have fun! I love swear word coloring books! As a stay at home mom of 3 very young boys, I am under an insane amount of stress. I color whenever I have the chance, to help me relax and this book is one

of my favorites! The lines are crisp, the pictures are one sided and there are a variety of styles of font and different types of imagery included. Very fun book.

This book was so much fun!... I enjoyed all of the curse words and coloring patterns!
