Intellectual Property Law

Synopsis

Bently & Sherman's Intellectual Property Law is the definitive textbook on the subject. The authors' all-embracing approach not only clearly sets out the law in relation to copyright, patents, trade marks, passing off, and confidentiality, but also takes account of a wide range of academic opinion enabling readers to explore and make informed judgements about key principles. The particularly clear and lively writing style ensures that even the most complex areas are lucid and comprehensible.
