Questions And Answers: Property

Synopsis

Understand better what you're learning in Property class and prepare effectively for exams by applying concepts as you learn them. This study guide includes 170 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 50 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Nagle provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less. For these questions, Professor Nagle provides a thoughtful, comprehensive, yet brief model answer.

Customer Reviews

I wanted to have something in addition to E&E's to use for review, so we bought the Q&A for crim pro and for property. The questions in this book are shallow, the formatting is poor, and frankly, the Q&A series is a perfect example of publishers exploiting the desperation of law students. You and your study partners could create a better set of questions and answers. Particularly frustrating is that even when there's a good question, it's always the answer and four HORRIBLE alternatives to choose from, all of which are obviously wrong. I will never open another Q&A series book again.

Book was very helpful. Emanuel knows his stuff. I ended up with the highest grade in the class. I used this book while studying for the bar and passed the bar.

I got it since it was cheap but skimmed the entire book in less than half an hour and did not look at it

again. There are books with far better questions and answers out there.

There were a lot of good questions in this book but it covered much more material in more depth than we did in class.

The Question and Answers are a great study aid that I use in all of my classes. I received one of the top grades in property. I did this book twice. Once as we went through the topics and then again right before finals. Doing these along with getting the WestLaw study aid subscription saved me my 1L year.
