Professional Responsibility (4th Ed) (Black Letter Series)

Synopsis

This "Black Letter" is designed to help a law student recognize and understand the basic principles and issues of law covered in a law school course. It can be used both as a study aid when preparing for classes and as a review of the subject matter when studying for an examination. Each "Black Letter" is written by experienced law school teachers who are recognized national authorities in the subject covered. The author of this "Black Letter" succinctly states the law. In addition, the exceptions to the rules are stated in the text. The rules and exceptions have purposely been condensed to facilitate quick and easy recollection. For and in-depth study of a point of law, citations to major student texts are given. In addition, a Text Correlation Chart provides a convenient means of relating material contained in the Black Letter to appropriate sections of the casebook the student is using in his or her law school course.
