Basic Legal Research Workbook Revised (Aspen Coursebook)

Synopsis

With a balance of traditional print and current electronic sources, the Revised Fourth Edition of BASIC LEGAL RESEARCH WORKBOOK encourages independent, experiential learning. Proven effective in the classroom, the authors carefully developed problems gradually progress from introductory to more complex. Whether accompanying Amy Sloan's BASIC LEGAL RESEARCH: TOOLS AND STRATEGIES, Sixth Edition, or any other legal research text, these exercises provide hands-on practice throughout the course that will serve students well in their careers as lawyers.

Hallmarks of Basic Legal Research Workbook: Coverage that mirrors the research sources studied in first-year Legal Research courses, including both print and electronic sources A logical and intuitive organization Library exercises, presented at graduating levels of difficulty, from basic searches to those requiring more advanced research skills Print assignments that can work in multiple jurisdictions, reducing the demand on single library sources Building on its strengths, the timely Revised Fourth Edition includes updated electronic research exercises that progressively instruct students on the latest interface features from WestlawNext and Lexis Advance.

Practice > Research #1157 in Â Books > Law > Legal Education #4940 in Â Books > Textbooks > Law

Customer Reviews

I bought the most recent edition out there (according to my professor) and it was out of date. I followed the directions exactly and still did not get the answers. It was incredibly frustrating for a 1L with no exposure to legal research before. I was especially stressed because each assignment was for a grade and I often had no idea how to find the right answer without the help of google.
