Customer Reviews

This book is really colourful. It highlights Trinidad and Tobago's flamboyant culture of music, dance, festivals, food, places and people. The articles are provided with real sweet images of Trinidad and Tobago's beauty!! Love the articles written by SIMON LEE. A great writer who captures the spirit of the contemporary Trinidad and Tobago through his unique style of writing and jolly good humor.

This book is an ideal gift!

This was purchased for a couple from Ireland who we met on a cruise. It was so good, we decided to not give it but keep it for friends and family to see. It covers all aspects of the islands - cultural aspects are depicted by lovely photos - we just love it! The cover does not do it justice!

Despite the long journey in getting to me, the book is perfect. Thank you very much.
