Advanced Pot-limit Omaha Volume II: Lag Play

Synopsis

UNLEASH YOUR INNER LAG Advanced Pot-Limit Omaha Volume II: LAG Play picks up where Advanced Pot-Limit Omaha Vol. I: Small Ball and Short-Handed Play left off. Key topics include: - Variable Ratio Reinforcement: The key concept that shapes our c-betting frequency - C-Bet Frequency: The key concept that shapes our LAG approach - Opening Fire on the Blinds: The main component of our loose-aggressive (LAG) pre-flop playing style - Attacking the Limper: An opportunistic LAG tactic - 3-Betting vs. Small Ball: When to 3-bet, and when to flat call and play Small Ball And more! With nearly 300 hand walkthroughs dedicated to short-handed online play, Advanced Pot-Limit Omaha Volume II: LAG Play takes Omaha strategy one step further, and will open up your game further than ever before.

Customer Reviews

I liked this book. I like all Jeff's books. He does a great job of breaking down hands and plays that I haven't been able to dissect. While I do like reading about the hands and his thought process, I do wish there was more written in each section. Having two or three pages of explanation then 85 example hands seems a bit lop sided. I wish there was more explanation of each section: why they are important, what to consider when in those situations, etc. Also, perhaps I didn't research enough but I didn't realize that the book was written about 6 handed on-line play until the book arrived in the mail. Some of the material may not transfer over to full tables, though I'm sure some will. Overall I did really like the book. More explanation and application to full ring games would make this a

perfect book.

I have both Vol I and now Vol II. Vol II provides a little more nuanced play and ideas. Common themes in both book are aggression and playing in position. If i had been at the table against Jeff and folded the same hands his opponents did i'd be plenty mad right now, knowing I'd been hornswaggled out of a number of winning hands. Jeff makes it seem easy, yet he cautions us when its time to put on the brakes. Good book.

There really isn't all that much Pot Limit Omaha literature out there. With his 4 books on PLO, Jeff Hwang has basically doubled the amount of good written word on the subject (maybe more since his books are huge!). I have been playing PLO on and off for years and each time a Jeff Hwang book comes out my knowledge and ability increases dramatically. This book is great value and you won't be disappointed.

Fantastic series of books.
