A few weeks ago one of my friends came down to visit me and he brought me two books, *Dirty Jokes Every Man Should Know* by Doogie Horner and *Sexist Jokes: Be The Funny One in A Crowd* by Stephen Williams. He brought them for me as a joke and said he could help me laugh a little. I told him, Ha! Yeah, right, like these books can help me get through the stressful weeks of work. I was absolutely wrong. I took some time to read on my own and sometimes with my girlfriend. The jokes were so hilarious! I just can't put the books down!! I love these books because the jokes are not extremely short. The length was just right and they were easy to learn for sure. I would use some of these jokes at dinner parties with my friends. We were all laughing out loud and it was a blast. It was great feeling to put a smile on all their faces. Furthermore, I love to come home from a stressful day to read these books and help me forget about work. I recommend you check out these books because they have jokes that can make you and your loved ones laugh uncontrollably. It did for me

and I don't normally do that. I'm glad that my friend brought me these books. I never thought there would be so many humorous jokes in a book. Amazing!

My husband and I have enjoyed the jokes and read a few together every day. Would recommend if you have a raunchy style of humor!

Okay, we did buy this for a friend, but we read half of it to see what the author thought was dirty or funny. About half are very LOL funny, a quarter are okay, and the rest are too juvenile to remember, but that is a range good enough for four stars. The book looks very elegant given its contents. The retiring teacher who received it loved it - at least that is what she said.

This was given as a gift and got a big smile from the giftee. This is the type of gift for someone you likes dirty jokes, and has kind of everything. As he sad, "Perfect bathroom reading."

purchased this for a fathers day gift for my boyfriends dad. The man loves to tell jokes and I know this will be his pocket bible he will have with at morning coffee with the guys!

I got this as a 'Stocking Stuffer' for my 23 and 31 year olds and they really liked it! They read a lot of the jokes aloud and they were really funny. Definitely worth the money.

I gave this as a gift and it was very well received. The book is well put together; the hardcover gives it a classier feel. Nice book for the educated man with a sense of humor!

Got it as a gift but it was funny enough that i picked up another one. Its a good read just to pick up the mood or just for a funny thought.
