Pure, unadulterated filth! Yes, TRULY TASTELESS JOKES ONE TWO THREE contains the first trio of volumes in the huge TASTELESS book series. These three were also the best, as the rest seemed to bog down and lose steam. Volume three is the most infamously disgusting, but one and two certainly hold their own! Absolute trash! Yep, there's something here to offend just about every color, creed, nationality, gender, religion, or persuasion. Hell, even cyborgs will be nauseated by some of the more potent material! Written in a time before we gave a \$h!t, these gems provide a ghastly peek into the gleefully polluted minds of our 1970's-80's ancestors! These are the sort of jokes that could get you fired, jailed, sued, or thrashed today! I don't know if this means we've progressed or regressed, really. I only know that these books made me laugh 'til I couldn't breathe (a few made me feel a little queasy) back in those dark, awful times. Today, My head might explode...

This one volume contains all three of the original books that I used to have as a teenager. I bought this for my teenager who doesn't like to read much. I have a feeling he'll be reading this cover to cover. He got a corny joke book for Christmas a year ago, but this one he's really into.

I bought this book Truly Tasteless Jokes One Two Three for my 16-year-old son because he

wanted it. He thinks it is absolutely great. I hate it, but he loves it. Go figure.

This is a great book featuring all types of jokes. It is a combination of three separated books organized into one hardback book. You can't go wrong with this book.

Hilarious. The title says it all. If you can't take jokes that are completely over the line do not pick this book up.
