Customer Reviews

I have played using the information that the late Mr. Frome wrote and I found it to be very beneficial! I watched people at a Casino play the game and lose alot of money. By using the information in the book, I was able to take \$100 and turn it into \$1000 in 20 minutes.Mr. Frome was the person that had completely calculated the game and the house "edge" so that the Nevada Gaming Comission could allow it to be played in its' Casinos.The information is invaluable! I recommend this book to anyone that has watched the game and was unsure if they should play it or those that play the game and want to win more!

DON'T even think about purchasing this item.... If you do purchase.... Please pull my review again and read this part only.... I TOLD YOU SO!!!!!!
